

## Research Fellowships

The Antonio Meneghetti Scientific and Humanistic Research Foundation awards two research fellowships of Euro 16,500.00 each.

*For more information, please click here*

Research activities must be centred on Ontopsychology and address the following topics:

1) *The modes of information. The primary communication that precedes any sensory perception: the semantic field.*

2) *Formalizing the use of intuition in economic activities: Business Intuition.*

The funds will be provided to the Department/School/University/Research Institution to which the applicant belongs.

These research activities will last one year. At the end of the year, the applicant that was awarded the research fellowship will deliver a final research paper on the work performed and the results obtained.

### Terms and conditions, rules and documentation

The application must be submitted either by e-mail to: [info@fondazionemeneghetti.ch](mailto:info@fondazionemeneghetti.ch) or in paper format to: Fondazione di Ricerca Scientifica ed Umanistica Antonio Meneghetti, Via Cattori 11 – 6900 Paradiso – Svizzera (CH) and must be received by the Foundation no later than **15 October 2013**.

The application package must contain:

- 1) A signed Application Form (Annex A);
- 2) A short Curriculum Vitae (max. 2 pages, interline spacing 1.5, Times New Roman 12);
- 3) The Research Proposal. (An accurate description of the subject of the research paper and the methodology. The proposal must not exceed 4 pages [excluding the bibliography], interline spacing 1.5, Times New Roman 12. It must include a description of the state of the art of current research on the topic at the international level and a rationale on the importance and the scientifically innovative aspects of the research as well as the expected results. For the Bibliography, use of the APA style is preferred. Your name must appear on every page).
- 4) All documents sent must be either in Italian or in English. The same criterion applies to the research paper. Documents and research papers in languages other than Italian and English will not be considered.

### Notification

Successful applicants will be notified about their approved projects by e-mail within 2 weeks of the submission deadline.
