

Conference: "Association models of agricultural producers in the Republic of Moldova vs V4 countries (Czech Republic, Hungary, Poland and Slovakia)"

Venue: Chisinau, Republic of Moldova, 72 Vlaicu Pircalab str., Conference Hall, Jazz Hotel

Date: 26.02.2016, at 10:00

Aim of the conference

The conference "Association models of agricultural producers in the Republic of Moldova vs V4 countries (Czech Republic, Hungary, Poland and Slovakia)" represents one of the activities of the project "Agribusiness association model in V4 countries - a new perspective for Moldova competitiveness" financed by the Visegrad Fund.

The Conference aims to meet national and international experts in order to share experience of EU members with associations of agricultural producers from Moldova.
